

MISSION

Chive Charities is a 501(c)3 non-profit organization dedicated to assisting individuals with rare medical conditions, veterans and first responders with medically related needs, underfunded education initiatives and 501(c)3 nonprofits that assist these populations.

ELIGIBILITY

- Veterans must have received an honorable discharge after their military service.
- First Responders include Police Officers, Firemen, or EMS/Paramedics.
- Individuals with rare medical conditions must have their diagnosis listed on the NORD or GARD rare medical registries.
- The grant items requested must be medically related and not fully covered by insurance, they can include both physical and mental health needs.
- Applicants will be asked to provide proof of their diagnosis from a medical professional which outlines the need for the grant item requested.
